

GEORGE SKARTADOS

Data Analyst

☎ +306943642957 • ✉ skartadosgeor@gmail.com • 📍 Athens, Greece • [in LinkedIn](#) • [Portfolio](#)

SKILLS

Core: SQL, Python, Power BI, Excel, Git

Data Work: KPI Reporting, dashboards, data cleaning, forecasting

EXPERIENCE

Iron Mountain

May 2026 - Present

Data Entry Operator

- Index Ministry of Justice documents with accuracy and consistency.
- Check document quality and correct indexing errors.
- Handle sensitive legal documents while following strict procedures.
- Follow daily production targets while maintaining accuracy.

BCG X, Lloyds, Quantum, Tata

Remote

Data Analytics Projects | Forage

Sep 2025 - Dec 2025

- Analyzed customer and business data to find useful patterns.
- Built dashboards in Excel and Power BI to track key metrics.
- Used SQL to answer business questions about customers, revenue, and performance.
- Summarized findings into clear recommendations for decision-making.

Hellenic Army

Jan 2020 - Mar 2021

Artillery Officer

- Coordinated daily operations, team tasks, and structured reporting under pressure.

PROJECTS

Energy Demand Forecasting

- Analyzed energy demand data to identify peak usage patterns and support capacity planning.
- Built a forecasting model and compared expected vs actual demand in Power BI.
- Highlighted peak-time risk to help plan around high-demand periods.

Credit Card Fraud Detection

- Analyzed transaction data to identify fraud patterns in a highly imbalanced dataset.
- Evaluated model results using recall and business risk, not accuracy alone.
- Focused on reducing false positives while keeping fraud detection reliable.

CERTIFICATIONS

IBM Data Analyst Professional Certificate, IBM

IBM Data Science Professional Certificate, IBM

EDUCATION

National & Kapodistrian University of Athens

Automation Engineering (incomplete)
